**Panel Size: 25mm x 146mm x  
2400mm Panels per pack: 4  
Area per pack: 15.08 sq ft**

## **Brazilian IPE Decking ;**

Ipe is one of the strongest woods and falls in the top 10 hardest woods in the world. It is also incredibly dense which makes it durable and long-lasting as a deck flooring material. Its hardness and strength also reduces contraction and expansion that occurs due to weather changes and exposure to moisture.
